

Intuition: Prophecies Awakening of the Soul

Ever since humankind gained the concept of time, dreamers have sought a way to travel within its limitless shores. They fantasized about the ability to go back in time to right an injustice or go forward in time to explore humanity's potential, but for most, it remained just that—a fantasy. For these rare few, those dreams become an obsession, for there are no boundaries within the varied dimensions that are part of this wonder. However, none of these attempts have been successful because of the lack of spirituality necessary to conquer this skill, to be able to will the spirit long enough to exist outside of the physical body ... until now. Esperanza Mia is content with her life—that is, until she is introduced to an experiment that changed the world she knew. On that day, she learns of her special gift, spectacular abilities she never imagined possessing. She is on the verge of learning the secret that had been zealously kept for many generations. A blue-eyed stranger appeared to ensure her success in fulfilling her destiny, and with him a torrent of emotions invaded her soul. What is the meaning of the spiritual walker's arrival? How will her choices determine the fulfillment of prophecies written throughout human history? Few beings have discovered how to bend or squeeze time. Fewer have learned the consequences of doing so. Will Esperanza be able to do both and survive?
