

The Presenting Checklist: 26 Rules You Have To Follow To Give A Stunning Presentation

Most people are more afraid of speaking in public than they are of dying. But with this book, you don't have to be afraid of your next big presentation. The Presenting Checklist contains 26 simple rules that anyone can follow. If you follow these rules, then you will be able to create and deliver stunning presentations which will not only win over your audience - they will also boost your career. The checklist covers everything from understanding your audience and setting your goals, through preparing your what to say and creating brilliant slides and handouts, right the way up to actually giving your presentation and handling questions. Once you're able to answer yes to the 26 questions on the checklist, then you will be ready. But don't even think about giving a presentation before you've read this book. Because this book will help you to avoid pitfalls that even the most experienced presenters fall into. David B. Sweeney has delivered presentations that have brought sales worth millions, and promotions and accolades have swiftly followed. As a coach and author on the subject of presenting, he is highly in demand. In this short book, he distills the wisdom he has gained from decades of experience giving presentations, coaching presenters, and being presented to.
