

Shortened Seasons: The Untimely Deaths of Major League Baseballs Stars and Journeymen

Shortened Seasons recounts the stories of some of the baseball players who never made it back for the next game, who died with the suddenness of a walk-off homerun. For them, there was no next year. From Hall of Fame caliber players such as Roberto Clemente, Thurman Munson, and Ed Delahanty to players who were still finding their niche in the game like Ken Hubbs, Lyman Bostoc, and Darryl Kile, this book explores the lives and deaths of ball players of all categories and abilities who were struck down at the height of their careers.
