

LET IT GO: How To Get Frozen Songs The Heck Out Of Your Head

Attention parents: If you have Frozen songs stuck in your head (and who doesn't?), award-winning author Steven J. Siegel is here to help. His young twin daughters have introduced him to a world that is almost completely Frozen, and he has not only survived, but he researched the science about how songs get stuck and the best methods to get them out. Siegel keeps things tight (7000 words) and funny: he interviews music experts, and packs in everything you need to know about earworms that the unofficial (and pretty bad) name for the phenomenon of having songs pop up in your head and how to remove them, step by step. LET IT GO: How To Get Frozen Songs The Heck Out Of Your Head is that rare combination of humorous, entertaining, and truly informative and helpful. Having songs relentlessly stuck in your head can cause the kind of frustration that can ruin things. No need to let it ruin any of your things; this book will allow you to start life anew.
