

FT Guide to Saving and Investing for Retirement: The definitive handbook to securing your financial future (Financial Times Series)

One of the most important financial plans you can have is saving and investing for your retirement. Quite simply, the success of this plan determines whether you're going to live comfortably after you stop working. The Financial Times Guide to Saving and Investing for Retirement will lead you through a bewildering maze of financial tools and provide advice on crucial investment decisions. It provides everything you need to know about how to save and invest so that you can successfully plan for your retirement. It is packed with invaluable information on taxes, ISAs, pensions, investing across different assets and buying property. The Financial Times Guide to Saving and Investing for Retirement will help you: Identify your financial objectives and work out how to achieve them Learn how to invest for a specific goal and time Find out about taxes and other rules that may impact your wealth Understand why it's essential to be actively involved in managing your post-work income
