

Full Season Training Program U12

Full Season Training Program - U12 8 v 8 contains actual training sessions conducted daily with a competitive under 12 team that plays in the 8 v 8 format. These training sessions were collected and put into book form so that you can follow the progression of the practices over the course of an entire season. They are complete training sessions (warm up, technical, tactical and physical work) which will help coaches run better organized sessions and also will help them structure their sessions over the course over an entire season. More than 250 easy to ready diagrams illustrate the practices along with clear explanations of the important coaching points. This combination will enable you to use these practices with your team in a clear and effective way.
