

Geography Review in 20 Minutes a Day

Geography in 20 Minutes a Day gives insight into the physical, economic, and political makeup of the world. This comprehensive book contains short, focused lessons on each continent's physical features, capital cities, ruling governments, economy, and more. It also examines the basis for recent environmental and political events that have shaped geography. Geography in 20 Minutes a Day will help you learn about the world, one short lesson at a time.
