

Leo Tolstoy: A Vegetarians Tale: Tolstoys Family Vegetarian Recipes Adapted For The Modern Kitchen.

Step back in time and dine on the family recipes of Leo Tolstoy, one of the worlds preeminent vegetarians and the author of War and Peace and Anna Karenina. Learn the recipes of one of historys most famous writers and vegetarians in Leo Tolstoy: A Vegetarians Tale . Featuring the writers original recipes as interpreted by renowned modern-day chef, this book is guaranteed to provide you with some of the best-tasting meat-free meals youve ever cooked! Leo Tolstoy was a trendsetter. He was one of the most important and prolific writers of his timehis novels, like Anna Karenina and War and Peace , are still being taught in schools and adapted for the screen. But he was also one of the first widely known vegetarians. Though a meat-eater early in his life, by the time he turned 50 hed decided it was immoral for someone to kill on his behalf just so he could enjoy a slab of beef for lunch. He became an ovo-lacto vegetarian, but because of the time in which he lived it was up to him (and particularly his lovely wife, Sofia) to create vegan and vegetarian recipes that would both taste good and keep him healthy. Now, for the first time ever, Tolstoys mouth-watering, meat-free meals have been collected in Leo Tolstoy: A Vegetarians Tale . This book features vegan and vegetarian recipes from Tolstoys wife. Sophia Tolstoys 1874 Cookery Book, which was compiled for her by her brother from her diaries, provides a rich tapestry of the Tolstoy familys dining habits. The recipes range from homemade Macaroni and Cheese to Potatoes a la Maitre DHotel, with plenty of tasty options in between (including family specialties you cant find anywhere else, such as Tolstoys Herbal Liqueur). Many of the original versions of the recipes lacked exact descriptions of ingredients and cooking times, but the recipes were edited by chef de cuisine at some of Moscows best fine-dining restaurants to insert the missing elements to

make the meals you prepare as delicious as possible. So whether youre looking for a modern revision on a classic or the original recipe right from the 1800s, youre guaranteed to find a meal youll love. The book contains not only original recipes from Tolstoy and his family; it also includes diary entries written by his wife Sofia, his children, and others who stayed at his estate. These fascinating passages help illuminate the famous writers day-to-day life. If youre a Tolstoy fan, then this book is a revealing must-have that sheds new light on this timeless writers life. Whether you are a vegetarian, vegan, foodie, literary major, or Tolstoy fan, you will enjoy reading and creating these recipes for yourself, friends and family. Order today!
