

Getting Started in Online Day Trading

EXPERT ADVICE FOR EVERYDAY SUCCESS! The coauthor of the bestselling *Getting Started in Online Investing* now brings her winning expertise to the increasingly popular day trading arena-along with the methods of today's most consistently successful trading practitioners. From a solid overview of the functional basics to a frank assessment of the pros and cons of day trading, *Getting Started in Online Day Trading* provides you with the know-how to begin, the information to speculate on the future of the medium-and the knowledge to decide if day trading is right for you. In this indispensable book, Bentley:

- * Approaches day trading by examining the basics from the perspective of the novice trader
- * Shares her years of experience and industry connections in online finance, and introduces you to some of today's top traders
- * Offers an in-depth analysis of the challenges and realistic rewards of online day trading

Get the solid, accessible, and practical guidance you've come to expect from the *Getting Started In* series with this outstanding and timely resource for today's hottest investment vehicle.
