

How to Get Started in Real Estate Investing

Stock markets rise, and stock markets fall, but real estate is almost always a sure thing, especially in today's increasingly unpredictable investment climate. That's why more and more average Americans are becoming interested in pursuing real estate investing. *How to Get Started in Real Estate Investing* shows them how. Writing for investors with little or no experience in real estate, best-selling real estate author Bob Irwin walks listeners through all the ins and outs of real estate investing. In a friendly, reassuring, no-hype style, he fills them in on everything they need to know to start building a winning real estate investment strategy of their own from how much money they'll need to get started, to how to find and evaluate properties, to the basics of financing and taxes. He delineates the seven major techniques used by successful real estate investors and provides guidelines for choosing and adapting the right one for individual listeners' goals, personalities, and budgets.
