

## Ghost No More: Ghost No More, Book 1

Not all mothers are nurturing and caring. This is a true story of a woman who controlled her child through fear, and how her daughter escaped the emotional and physical abuse. But to truly move forward and thrive in the future, the daughter has to do more than just survive the past. This story is about that survival and journey toward happiness. Behind the glitz and the glamour of the beauty queen mother lies a web of secrets. CeeCee is a child desperate for a touch of approval, the love of her mother. Her reality is her moms retreating back, abandoning CeeCee in front of a burning car. But somewhere amid the chaos and despair, CeeCee holds onto something precious, the only thing that drives her on - hope. Ghost No More is a child abuse true story that proves joy can be found beyond abuse.
