

Vampires Suck (Alternate Hilarities) (Volume 2)

Each story has a different take on the legend of the Vampire. Some hide from the darkness and others can walk in the daylight. Some are cold, calculated killers and others are full of teenaged angst. Some are held at bay by garlic but others love Italian food. Here is a collection of stories designed to poke fun at the whole vampire genre. We have funny stories about the troubles of immortality, about the crazy life of the vampire slayer, and about just how the different vampires get along. But in all the stories, one element is always there. Vampire Suck.
