Excerpt: When I first opened the anonymous letter saying Tyler had been unfaithful to me, I refused to believe it. Tyler wouldnt do that to me. That letter had been written by someone who wanted to destroy my marriage, someone who was jealous of my happiness. I wouldnt think about it. Ill tear it up and pretend I never read it. Only I couldnt put it out of my mind. I thought about it all day. I thought back to the time when Tyler had lost his job, and wed fought so bitterly. Hed hardly been at home, then. Id been so angry, I didnt even think what could have been going on. And I didnt want to acknowledge it because it would mean that our marriage was over.
