

A Run for the Money

Nicole Fleming and Dante LaPalma have nothing in common except an old mans legacy. Joe Corbet has promised that a great treasure awaits them--if theyre clever enough to solve his riddles within a six-month time frame, that is. According to Joes will, Nicole and Dante must participate in several excursions. After each adventure, a new clue will be presented that will lead them to their next obstacle. Only when theyve completed every task can they discover the treasure meant just for them. Along the way, Nicole and Dante are forced to share their secrets and place their faith in one another. If they can learn to work together, theyll discover whats truly important in life. And maybe, if theyre lucky, theyll find the greatest treasure of all: love.
