

Glow: Tastes from a Tiny Boathouse

GLOW is a celebration of our majestic coast and the bounty it has to offer. In her first book, Karey B. Johnson opens up her restaurant recipe files and shares her favorite dishes, cocktails, even how to make your own sea salt. This little cookbook is the perfect gift for those looking to entertain with local seafood and coastal ingredients. Glow restaurant is tiny and the book is small, but in both, the talent and flavors are huge. - AUSTIN CHRONICLE
