

Giving Away Your Money

In *Giving Away Your Money: A Guide To Effective Philanthropy*, Raquel Newman draws upon her many years of experience with non-profit organizations as a funding solicitor and as a dispenser of grants and awards to provide the reader with a quick and accessible orientation to philanthropy in the United States. This highly recommended and informal guide to making intelligent financial decisions about donating to non-profit organizations will insure that anyone having a little extra money to give to a worthy cause or charity will be able to do so with confidence and an enhanced sense of fulfillment that accompanies sound philanthropy and charitable giving.
