

God Is Busy Fixing Things

God Is Busy Fixing Things How do I know this? Ive been one of his co-workers for more than fifty years. Ive been one with Him in building His church. Ive been one with Him in making disciples. Ive been one with Him in building homes. Ive been one with Him in uniting brothers and sisters in Christ. Ive been one with Him in restoring sinning brothers, and rebuilding shattered relationships. Summing everything together, I have been and still am one with Him fixing that which got broke in Genesis three. Namely, His crowning creation; (mankind, you and me) Only He can fix us. He fixes us one at a time. He always does His fixing in a vital way, through His Living Word by His Spirit. As one of His co-workers my part is to prayerfully use His tools (His Word, His Cross, His Gifts) in total dependence upon His Spirit to fix people on the inside. When He does and continues to do His work of fixing (regenerating and sanctifying) broken people, I get my reward in seeing transformed lives and homes like you will read about in this book. As He imparts life to the dead and they continue to grow: The proud become humble. The covetous become generous. The angry become meek. The bitter become sweet. The divided become united. The Self-centered become God-centered. Pastor Jim Walter is a graduate of Practical Bible Training School, now Davis College, Binghamton, NY where he continues to serve on the schools Trustee Board. He has pastored four churches. His last twenty seven years before retiring were at South Apalachin Baptist Church, Apalachin, NY, the church that ordained him in 1954. He is still actively speaking and teaching Gods Word, and also writing.
