

Governments Target Or Gangster??

This book reveals the startling truth behind the Organized Crime Drug Enforcement Task Force investigation that led to my arrest, RICO indictments and conviction. This book also reveals the truth about St. Louis most controversial Moorish-American moslem leader, Sheikh Jerry Lewis Bey, the Moor. Now based on pre-trial investigation reports, grand jury transcripts, post-trial/state depositions, affidavits, and thousands of FBI records obtained pursuant to the Freedom of Information Act, this book provides an in-depth analysis on various circumstances leading to my persecution. It highlights the roles of the St. Louis City Police Intelligence Units and Homicide Division. Also examined are the roles of FBI and DEA informants. In addition, the roles of various Moorish traitors are brought to light, leading to my investigation, RICO indictments, and the conviction of Sheikh Lewis Bey and other members of the Moorish Nation in St. Louis. Thoroughly documented and illustrated with rare photographs, Governments Target Or Gangster will shed light on the events that unfolded during the 13 year existence of the Moorish Nation in St. Louis.
