

40 Easter / Spring Keto Recipes: For the Healthy LCHF Lifestyle (Keto Recipe Books) (Volume 1)

Go the KETO Lifestyle! The ketogenic lifestyle is a well medically researched approach to living healthy while losing weight. Going beyond Low Carb, High Fat (LCHF), KETO avoids carbohydrates, focuses on healthy fats to become the source of energy AND keeps proteins to a medium. You feel more energized, more focused and start to burn the excess fat immediately. In addition, your blood values improve. Since February 2015 it is official: the real culprits are the carbohydrates that caramelize your body, and it is healthy and necessary to eat cholesterol and saturated fats! This recipe book gives you simple and festive recipes from quick snacks, breakfast, starters, main course, side courses and deserts. Each recipe has the nutritional values to make sure you stay in control of your carbs, and make sure you get your fats. When in doubt, add some butter! With 3 daily meal plans and shopping lists you can start out immediately, with summary nutritional information for these days. What you find in the book: 40 Easy, Delicious, Easter / Spring recipes, for excitingly different meals. Breakfast, starters, main courses, side dishes and desserts, sorted by preparation duration. You immediately see how long the recipe will take, so you can make fast last-minute decisions about what to make. e.g. 7. [15] Mighty Mozzarella Croquettes 4. [3] Pepperoni Pizza 12.
