

## ABC of Shooting: The Classic Guide to Game and Rough Shooting

The New ABC of Shooting is a fully revised edition of the classic handbook, providing a concise and authoritative guide to all branches of the sport. It contains sections on game shooting, pigeon shooting, wildfowling, stalking and clay shooting, including information on natural history and, where appropriate, rearing, preservation, plus essential advice about weapons and basic equipment, and an updated summary of the law as it affects shooters. The New ABC of Shooting will prove invaluable to the beginner and expert alike. This lively and informative text is a book that can be dipped into time and time again.
