

Hall of Fame: How to Manage Financial Success as a Professional Athlete

Hall of Fame, How to Manage Financial Success as a Professional Athlete asks some big questions: How do you preserve your financial security? How do you handle the onslaught of requests for money from family and friends? How do you intend to leave a legacy? How can you put together a team of advisors you can trust to oversee and manage your financial security? My friend and the book's author Ben Renzo answers all those big questions. You'll look at your money, business opportunities and your legacy differently after you read this indispensable book.
