

The Art of Easing Conflict: Learn what it takes to be creative

This timely book -The Art of Easing Conflict - is a guide that will help you uncover, develop and use creativity to resolve conflict. An experienced Mediator and Empowerment Trainer, Miriam Logan outlines how a greater understanding of our innate creativity can help us relate in ways that lead to better outcomes in our negotiations. In addition to illustrating clearly the tasks of healthy creative development she advocates the wisdom of embracing a lifelong learning philosophy. She unravels the dynamics that lie beneath our conflicts explaining what causes us to run away or to become destructive. This work succinctly lays out the way in which heart and head are engaged in genuine communication. It encourages us to see that beyond the difficulties of conflict we can move to create positive change. Moreover, taking a holistic view of problem solving can empower us to transform the way we approach conflict. This is a soulful book that shows individual creativity as a gift and a choice for all of us.
