

John & Athena: New York Spankings Book Five

After losing her scholarship, Athena finds herself homeless, friendless, and alone, but her good friend Eva won't let her remain on the streets. Content in her new job as a nanny, Athena doesn't want the complications of a romantic relationship, but she can't help but fall for John. Tall, handsome, and dominant, he embodies everything she fantasizes about in a man. Too bad she can't let him know her desire to submit. John hasn't let himself get close to a woman in years, but he can't forget sweet, submissive Athena. He knows he has to keep his predilection for dominance to himself, but he can't stand idly by and watch Athena put herself at risk. Will he be able to give her the stern yet loving over-the-knee discipline she needs?
