

## Engaging Fathers in the Early Years: A Practitioners Guide

Drawing on the expertise of a range of professionals, this practical guide will help Early Years practitioners to actively engage fathers in their child's wellbeing. Engaging Fathers in the Early Years provides practitioners with:

- Tried-and-tested strategies for successfully engaging fathers across a range of services-
- Effective approaches for working with different groups of fathers, including young and separated fathers-
- Up-to-date evidence on the impact of father involvement on child outcomes-
- Current policy frameworks and their impact on working with fathers and male carers-
- Evaluation techniques to monitor the development of work with fathers over time
