

## Protected Hearts (Rosewood, Texas)

Her world shattered by tragedy, Emma Perry thought she'd never survive the murder of her husband and child, let alone regain her faith and ability to trust. But the Witness Security program took her to Rosewood, Texas, where a caring community and belief in God gave her the strength to rebuild her life. And the compassion to reach out to others wounded souls like Seth McAllister, Emma's embittered neighbor, who was struggling with the death of his own child. Together, Seth and Emma began to open their hearts to love. But when the still-obsessed killer picked up Emma's trail, would Seth's prayers be enough to pull them through?
