

Heart Healthy Junk Food

This fun book shares how you can enjoy yummy fun foods like fat-free tacos, fat-free pizza, and fat-free donuts and lower your cholesterol at the same time! After the authors father had coronary artery bypass surgery, she decided to eliminate the oil and butter from his diet. Surprisingly, her fathers cholesterol dropped from 250 mg/dl to 150 mg/dl in two months without even needing medicine! She says, If I can do it, anyone can do it! You can have your cake and eat it too!
