

British Columbia (Canada Series - Mini)

Lace up your hiking boots and trek the 72-kilometre West Coast Trail. Or hop on a helicopter and soar over the spectacular slopes of Garibaldi Provincial Park. British Columbia highlights some of the provinces most isolated and exciting locations. Photographers have captured the thrill of whitewater rafting down the Thompson River and the serenity of kayaking through the Queen Charlotte Islands. From scenic Victoria to the barren expanse of Chilcotin cattle ranches, this is a stunning look at the provinces diverse landscapes. About the Canada series: As expansive as Canada itself, this outstanding series captures outstanding views of panoramic landscapes, brilliant city skylines, and picturesque communities. Each volume focuses on a city or province and features 96 pages and 70 stunning images by internationally renowned photographers, plus descriptive captions.
