

## Helping Boys Learn - Parent Edition

This easy-to read and important book gives parents what they need to help their sons become successful learners at home, in school and beyond. Based on the authors 30+ years of experience as a teacher, principal, researcher, and parent of boys, Helping Boys Learn offers parents practical solutions to many of the most pressing problems for boys in school. In this book, you will discover how to use these 6 secrets to help boys: - Sit still and stay focused - Avoid distractions and stay on task - Complete homework without nagging - Put forth their best effort in schoolwork - Become passionate, successful learners in school And much more
