

Heronfield

Amidst the bombs and bullets, the fear and confusion, sometimes its the battles in our hearts which leave the deepest scars. Experience a sweeping saga set in Europe during World War II. At its heart a cast of characters who draw us into their lives from the defeat of Dunkirk to final victory. Tony, a young man who experiences Britains first defeat and offers his unique talents to the war effort only to find his secret work threatens his relationships with those he loves. David, Tonys elder brother, fighter pilot and hero of the Battle of Britain. Sarah, whose work with the Vads brings her into contact with so many, forcing her to choose between a man with loyalty and honour or another who appears a coward. Bobby, a young Gi for whom a posting to England brings love. And at its centre, Heronfield, a manor house in southern England, once home for Tony and his family and now a wartime hospital. Heronfield, witness to six years of loyalty and love, anger and hatred, loss and betrayal.
