

Highland Cattle - Native Breed of Scotland 2016: Highland Cattle, the Scottish Cattle Breed Photographed in its Own Natural Habitat (Calvendo Animals)

Scottish Highland Cattle are a native breed to Scotland and are known all over the world for their wild and woolly looks. Enjoy 12 portraits of this special breed in its natural habitat the Highlands of Scotland. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
