

Breakaway (New York Blades Book 9)

Rory Brady was Ballycraigs golden boy, the local lad who moved to America and became a professional hockey player. But he broke his promise to Erin OBrien-and never went back for her. Now Erin has moved on, and Rory must race the clock to prove to her that the man she fell in love with is still there. But can happy-go-lucky Erin risk it all and give another chance to the man who broke her heart?
