

Honest Guide To Child Custody Visitation Schedules: Real-World Experiences, Ideas, And Examples Of Divorced Shared Parenting & 50/50 Visitation

Ultimate Child Custody tool for divorcing parents. Loaded with information about child visitation schedules. Samples of bi-weekly and split-week schedules, comprehensive Child Custody Checklist, sample Divorce Agreement, and a section about state-specific Child Custody Law. Of most value is the raw and quick-paced personal perspective of Emerton as someone who experienced the divorce of his parents at age six. Emerton and his children's mother also experienced a divorce with VERY DIFFERENT RESULTS from what he saw with his parents. Enjoy a real-life positive model that he and his kids' mom have used. Common troubles are covered along with practical advice about Child Custody starting with the divorce agreement. This author will make you laugh, get you angry, and challenge you with a liberating perspective on many topics related to divorce, gender, child support vs. alimony, and more. Since Emerton explains the context of why custody issues go wrong, you might even reconsider beliefs about romance, religion, race, college, politics, your job, the American Dream, psychotic feelings, joint child custody law, divorce attorneys, and most of all: how best to look out for yourself and the childhood of your kids. Get information about Shared Parenting and Child Custody with a Child Custody Law section.
