

My Divine Self: A Simple Way of Unveiling Ones Own Wisdom

My Divine Self: A Simple Way to Unveiling Ones Own Wisdom This slim power packed book offers you an opportunity to learn how to trust your own inner wisdom. Discover how to follow the spiritual path that resonates with you and makes you sing. Using your own type of meditation practice to find your still quiet centered self that is in every single one of us can empower you to respond to life in a more dynamic stronger way as well as help you to not take things so personally. No one way of meditation is the same for everyone. Meditation can be done from sitting still to walking to swimming laps, to looking at art books, whatever your form of becoming still is as unique as you are. Finding the form of meditation that works to help you get quite enough to hear your true self is all that is important. There are steps to help when things become bumpy along the way. Calling for help from angels or even your grandmother is explained. Doubt and frustration when becoming quite for a small amount of time everyday is a natural part of the experience, these many states are normal even for someone who has been meditating for many years. Use the ideas to call for help, as needed, from other sources will support you as you uncover your true self no matter if you are a beginner or someone with a long time meditation practice. This life we live is filled with all states from suffering to bliss and keeping a strong daily meditation practice as suggested in this book will guide you through the perils and joys as they arise and fluctuate. Our minds are busy and can be cluttered with thoughts - that is how we are made - we are thinking beings- it is not so much to shut the mind up but to understand our mind habits which helps uncover the intuition hidden beneath the clutter. Uncluttering the mind will bring about clear thinking which is vital in this relentless barrage of life experiences. Suggested statements to help

you set intentions for your way of becoming still and quiet enough to listen to yourself are offered throughout; bringing yourself back to a regular spiritual meditation time period are encouraged to manifest the spiritual practice that's fitting for you. Our culture conditions us to not believe in ourselves and questions are given throughout in order for you to examine your own belief system. These questions are presented for your reflection of who you are and why you believe what you believe. Judging oneself about the way you are and how you are doing this while trying out this new spiritual strategy is up to you, there really is no one right way to have a spiritual practice. Everyone's approach to believing in their own wisdom and how to uncover that wisdom is as unique as each one of us is unique. My Divine Self pulls you back to the spiritual practice when you are ready to return and encourages you to continue. The approach is all up to you the strategies are offered to bring you back to who you really are and how you express yourself as that dynamic strong creation of wisdom and understanding. The Divine Self is always with you and can be accessed at any time in any given moment and this book will guide you through the process of unveiling who you really are which is a unique creation of humanness and divinity combined. You are meant to experience the journey of this one precious life in this time and space and your uniqueness is vital to this world. Presented in a simple format with questions to push your thinking, My Divine Self will keep you reading and contemplating for many years. It will become a useful resource for your spiritual life.
