

# How To Get More Prospects, Customers, Sales and Profits For Your Business Using 7 Proven Marketing Secrets

In this book, you'll learn exactly how you can make more money in less time from your business by using seven very effective marketing strategies that have added extra profits to almost any business no matter what the industry. You'll learn a proven step-by-step system that can easily increase the profitability of your business by 50% or more within the next 6-12 months, and with little or no more marketing costs than you're spending now. You'll learn how to create, design, master-mind, implement and manage these seven profit-producing concepts and strategies into your business to get you more prospects, customers, sales and profits. If you're looking to grow your business profits, then you'll find this book very valuable in helping you make more money, without working harder, and in less time than you're spending now. In it, you'll discover how to grow your business profits by:

- \* attracting more leads and prospects to your business
- \* converting more prospects to customers for your business, and
- \* increasing the lifetime profit value of your current and new customers by increasing the average dollars per sale, and increasing the frequency that they purchase from you

Plus, you'll learn these seven important marketing secrets that most business owners never systematically program into their business for consistent results:

1. How to clearly state the exact reasons why people should do business with you rather than any of your competitors
2. How to improve your current marketing approach for quick profits
3. Three secrets to getting more profits out of your current customers
4. How to set up joint venture alliances with other business owners - a mutually beneficial way to easily harvest more profits by working together with others
5. How to use targeted direct marketing to get new customers who are eager and willing to do business with you
6. How to get more results from your advertising dollars -

your advertising is costing you the same whether it brings in a little or a lot, heres how to get more business in the door with no more expense 7. How to drive your competition absolutely crazy by using FREE marketing concepts - dont pay for advertising, when you can get it for FREE
