

8 Weeks to Your Promotion in Your Home Party Business: How to Rapidly Qualify for a Promotion and Get Paid at Title Every Single Month

8 Weeks to Your Promotion in Your Home Party Business is a roadmap - literally a step-by-step plan - for home party consultants and network marketing consultants who are ready to earn their first, or next promotion. Too often consultants don't prepare well - and they try to squeak out a promotion, rather than truly build the foundation for their organization.

Susie Nelson has been coaching and training home party consultants for 25+ years. In 8 Weeks to Your Promotion in Your Home Party Business she literally shares the formula she used to successfully promote the most managers in her former home party business. Whether you're a brand new consultant with a big vision (and you're ready to hit the ground running), you've been in the business a year (or longer) and you've made a commitment to take your business to the next level, you've earned a promotion but rarely get paid at title (or worse yet, lost your title), or you're a leader who needs to promote leaders to take the next step; Susie teaches you what to do and how to think so your promotion can be an easy and fun experience. The big question: Six months from now - will your business have grown, or will you still be stuck at the same level?

As Susie says, There's not a good reason to build your business S-L-O-W-L-Y. 8 Weeks to Your Promotion in Your Home Party Business can be your guide as you continue to expand your business, and earn the commissions you deserve.
