

How To Make Money Collecting Judgments: Becoming A Professional Judgment Collector And Recovery Processor

This is Volume IV (replaces volume I, II, III). This book is the main course of a training system, it is a 270 page paperback book updated for 2013/2014 and beyond. The most common judgments you can collect are from Small Claims Court, and a common type is the Landlord VS Tenant judgment but there are so many more. This bad economy creates more judgments every day. I would like to welcome you to the exciting business of judgment collections. Whether you are doing it to collect judgment owed to yourself OR you want to make money helping others collect money owed to them. By purchasing this system is your first step into this lucrative way to make money from your home or from an office. Collecting money judgments for others is in demand. Not too many people know how to do this. This is a great service for your clients that once they start getting some of their money back they will use your services again and also spread the word by word of mouth to others which is the best way to grow your business without advertising. There is also a CD that contains all of the forms, notes, software and documents you probably will ever need. The CD is purchased separately at www.JudgmentCenter.com. Do you want people coming to you with their own judgments to collect? I can create a website similar to www.JudgmentCenter.com to collect your own judgment leads.
