

How to Mix Drinks or The Bon Vivants Cocktail Guide: The Bartenders Guide

First published 150 years ago, Jerry Thomass Original Cocktail Guide marks the first time todays classics were set down in print. From old standards to mixes invented by Thomas himself (including Thomass signature drink, the Blue Blazer, which involves lighting whiskey and passing it back and forth between two mixing glasses, creating an arc of flame), the book contains guides for mixing drinks of all categories - including sours, fizzes and highballs. Along with instructions on using various bartending tools, from jiggers to ponies and beyond and a glossary to help all bon vivants remember their demijohns from their drachms, this is a nostalgic and delicious homage to a drinking era that is gone but not forgotten.

How to Mix Drinks or The Bon Vivants Companion - In 1862 Thomas finished the Bartenders Guide (alternately titled How to Mix Drinks or The Bon-Vivants Companion), the first cocktail book ever published in the **The Bartenders Guide: How to Mix Drinks: A Bon - Goodreads** This seminal work is probably the most famous bartenders guide and cocktail book of all timenostalgic and delicious homage to a drinking era that is gone but **Jerry Thomas Bartenders Guide 1862 Reprint: How to Mix Drinks, or** Jeremiah (Jerry) P.
