

Start a Credit Repair Business-(5 hour Transcribed Interview Q&A Format): 100 Million Consumers Need Your Help - (5 hour Transcribed Interview Q&A Format)

Startup Credit Repair Business Training Center Presents: Disclosure. The information in this book is very valuable if you are thinking about starting a credit repair business. Coaches in this industry normally charge a fortune for the information you are about to read. The author wanted to help startups so he transcribed one of his coaching sessions in a Q&A Interview format. Please do not buy the book if you dont like the Q&A format. The Diamonds are in the information and not format. Mark teaches one of his students on how to Start a credit repair business. 100 million customers need your help right now. Starting a credit repair business is the way to go if you are looking to leave your current job, and be your own boss. A credit repair business requires low startup cost, and a low learning curve. You can set your own price and charge monthly or by inaccurate items that are deleted from your clients credit report. You can work from your home when you first start a credit repair business, and then move into a nice office space once your company grows. All you need to get started is a good credit repair software to manage your clients and credit repair letters. A good credit repair book teaches you the basic understanding of how to restore your clients credit. Lastly, you will need the basics on how to run a credit repair business, and this book will give you that. Get started today by reading the kindle version of Start A Credit Repair Business. Mark is the CEO of Startup Credit Repair Business Training Center.
