

A Lady Never Surrenders (Hellions of Halstead Hall Series)

With two months left to find a husband and fulfill her grandmothers ultimatum, Celia sets her sights on three eligible bachelors. Becoming betrothed to one of these wealthy, high-ranking men will surely prove her capable of getting married, so hopefully the wedding itself wont be necessary for Celia to receive her inheritance. Step Two of her audacious plan is hiring the dark and dangerously compelling Bow Street runner Jackson Pinter to investigate the three men shes chosen. With Lady Celia bedeviling Jacksons days and nights, the last thing he wants is to help her find a husband. And when she recalls shadowed memories that lead his investigation into her parents mysterious deaths in a new direction, putting her in danger, Jackson realizes the only man he wants Celia to marry is himself??!
