

How to Write a Book in 10 Days: 123 Quick Tips for Fast Non-Fiction Self-Publishing

How to Write a Nonfiction Book - Fast! Writing is a great way to market your business, build your credibility and personal brand, earn passive income, make money online working from home, and improve your presentation and communication skills. Anyone can self-publish and it can be done at the time and location of your choice! Writing Tips: Overcome Writers Block and Write Books Readers Love Really Fast! How to Write a Book in 10 Days breaks down the writing process into three phases and provides actionable tips on improving your writing speed in all three. The three-phase process to writing is (1) determining what to write about given your goals and what readers actually want, (2) getting your thoughts from your head to words on your page, and (3) presenting the words in an engaging and effective way. How to Write Faster If you want to write well and write books that sell, you need to write fast. Writing is like a muscle, it gets stronger when you work it. Writing more books increases your chances of writing a successful book and enables you to get fast feedback so that you can iterate accordingly. Writing more books is one of the best ways to promote your existing books. The Self-Publishing Gold Rush Amazon has hundreds of millions of shoppers, with their credit card information stored, who can buy your book with one click. Self-publishing on Amazon is like putting an infinite number of copies of your book in the middle of the worlds largest bookstore! The Internet makes it less necessary to have a high-priced broker like a publisher. If a publisher needs you then you dont need a publisher, and if you need a publisher then the publisher doesnt need you.
