

True Love After Divorce: Steps to conquering what seems to be the end of the world but really isnt.

Relationship book Is a separation/divorce/end of a dear relationship the end of the world? No. It may be the end of a bad dream - or even the end of a very good dream. But the end of the whole wide world? No. There is still a lot of love out there. You havent even scratched the surface. If you follow the gentle advice given in this exciting book, you should be up and loving again in practically no time at all.
