

# I Know Just What You Mean: The Power of Friendship in Womens Lives (New York)

Pulitzer prize-winning columnist Ellen Goodman and novelist-journalist Patricia O'Brien provide a thoughtful, deeply personal look at the enduring bonds of friendship between women. Friends for twenty-seven years, they have served as confessors and advisers to each other during romantic, career, and child-raising crises, and have shopped together, laughed together, and enjoyed a bond unlike any other. Drawing on interviews with numerous women, the authors take readers into the heart of the place where women do the work of their lives, the growing, the understanding, the reflection, and illuminate both the fragility and strength of relationships that are irreplaceable lifelines.

I KNOW JUST WHAT YOU MEAN WILL STRIKE A CHORD WITH WOMEN OF ALL AGES.
