

Skin In the Game Workbook: Unleashing Your Inner Entrepreneur to Find Love

SKIN IN THE GAME: UNLEASHING YOUR INNER ENTREPRENEUR TO FIND LOVE is A must read for any woman who wants to secure love and happiness. Hands-down, the best book I've read on how to create the love you want. - Susan E. Winter, bestselling author and relationship expert (as seen on Oprah and The Today Show). Answer these three questions: 1. Are you tired of the status quo in your love life? 2. Do you feel as though you're just going through the motions, like you're some sort of dating zombie, mindlessly following annoying dating rules and tactics to get or hook a man? 3. Do you ever feel like you're watching your love life in a rearview mirror, helpless to change it? If the answers are yes, then entrepreneurial dating is for you! It's time for you to become the founder, CEO, and enTREpreneur of your life, to take the reins and invest in your dating life so that you are building and shaping your love story. This WORKBOOK was created as a resource to complete all of the action steps and reflection exercises outlined in Neely's revolutionary book Skin In the Game (also available on Amazon), BUT IT CAN BE PURCHASED AND USED EFFECTIVELY ON ITS OWN.
