

Dictionary of Investment Thoughts (Non Illustrated)

The Universal Language of our world is Price & the man who can foretell the motion of prices in advance of their occurrence will make a fortune. All great financiers and investors feed from the same knowledge pool for there is only one method that works wonders and is directly applicable to all of nature's processes. That same method was used by powerful ancient civilizations and is still applicable today. And all the thoughts associated with that method are fully wrapped up in this Great book, which has been called The Dictionary of Investment Thoughts. [NB: All registered Purchases of the title qualify for 40 days support from a special team which has been put together by the author. Why 40? - Read Ezekiel 4:5-6 where it states: 5. I have assigned you the same number of days as the years of their sin. So for 390 days you will bear the sin of the people of Israel. 6. After you have finished this, lie down again, this time on your right side, and bear the sin of the people of Judah. I have assigned you 40 days, a day for each year.
