

## 2 Ways Home

Romance is a complication to be avoided at all costs in this pair of linked novels. First, in *Where You Are*, Lake Stephenson finds himself in a highly inconvenient relationship as he tries to dispose of an unwanted inheritance. Then, in *Spaulding in Love*, Spaulding Ford struggles against feelings forbidden by a contract he has signed. As their predicaments deepen, both have to contend with the schemes of a con man and a duplicitous Philadelphia blue-blood. Fortunately, a springer spaniel named Randall is on hand to help. Guardian, companion and an alleged telepath, Randall has much at stake in all the maneuverings. The humans try his patience at times, but dog-power will sort things out in the end.
