

Hope After Divorce

Walking the painful path of divorce can leave us feeling isolated, discouraged, and wondering whether we will ever feel happiness and peace again. In this poignant collection of essays, women of faith share their personal journeys through divorce. Their stories offer hopeful reassurance that amidst the raging storms of life, there is peace and joy to be found through the Atonement of Jesus Christ. The resounding message of this book is that all things work together for good to them that love God (Romans 8:28). Through the mercy and love of our Savior, we have every reason to hope.
