

Shake Em Up! 1930 Reprint

A complete reproduction of the 1930 cocktail guide *Shake Em Up!* with a new introduction by Ross Bolton. Featured #5 by the Wall Street Journal Off Duty Special under the heading to Be A Good Houseguest. Printed three years before prohibition was repealed, this book has page 68 removed at the request of United States Attorney because it featured a recipe on how to make gin! A pretty little volume, it has many drawings and commentary about life. Also listed are recipes under each drink, so one knows how to combine them with food. A must have for any classic bar guide collector and great as a gift to your host, this bootleg edition!
