

# The Rider

A literary sports classic, finally available in the U.S. Originally published in Holland in 1978, *The Rider* became an instant cult classic, selling over 100,000 copies. Brilliantly conceived and written at a break-neck pace, it is a loving, imaginative, and, above all, passionate tribute to the art of bicycle road racing. Not a dry history of the sport, *The Rider* is beloved as a bicycle odyssey, a literary masterpiece that describes in painstaking detail one 150-kilometer race in a mere 150 pages. *The Rider* is the ultimate book for bike lovers as well as the arm-chair sports enthusiast.
