

Zombie School Confidential: A FilmNerds Book

All the facts. All the lore. All the terrible truth about ZOMBIES. Don't know much about history? Here you'll discover how the zombie mythos arose, got shambling, and then started running right at the living. Don't know much biology? Everything you need to know about the most terrifying fictional and actual zombie viruses is within these pages. Don't know much about science books? Probes from Venus, accidents in government labs, evolution run amok--it's all here, and it's all horrifying. Professor Zombie, Sean Hoade, taught the groundbreaking first for-credit college class on Zombies! The Living Dead in Literature, Film, and Culture. These 7 interviews were conducted by Matt Scalici of the site FilmNerds.com. Reading *Zombie School Confidential* will catapult you into the true walking dead expert among your friends, family, and those damn fool zombocalypse deniers! Enroll now. Your real education is about to begin.
