

# In Small Groups Without Singing. On The Road With The Hamburg Hooligans. American English Soccer Edition

The Hamburg Hooligans (later, and somewhat misleadingly, labeled Hamburg Ultras) were most probably not the toughest of the German soccer mobs. But their extraordinary composition of bizarre blokes and real Hanseatic off-the-wall originals make this part of the Hamburg SV following interesting for soccer fans of all teams and all around the world. In *In Small Groups, Without Singing* delivers what many other works on the topic lack: a good sense of humor and attempts to not take all the trouble and the fighting at the matches too seriously.
